# WE NEED MEMBERS

## WHY BECOME A MEMBER

- + Your membership allows you to enter Exhibits in the Fair. Veggies, Arts, Crafts etc for both Youth and Adults. Check out our website for exhibit info.
- + Memberships help support the Trout Creek Fall Fair.
- + The Trout Creek Fall Fair does not charge admission, but rather donation at the gate. We want all families to have the opportunity to an Agricultural Experience, and memberships help us keep it that way.
- + Membership helps support other events, fundraisers and initiatives the Trout Creek Agricultural Society is involved in.
- + Membership help support our Awards night that takes place in the fall. We give away prizes that evening for Youth Exhibitors such as Gift Cards.
- + Opportunites to become more involved in the community. Although volunteering would never be expected - for those interested in getting involved, we are always looking for help to make our Fair better every year.

**\$5.00**  
per year
